

Guarding Madison (Bodyguards, Inc. Book 1)

Bodyguard Lucien Trace was good at his job. Damn good. Following two rules kept him sane: Staying away from the Hollywood-ites and never get personal. A call from his uncle would have him break both of those rules and shatter the biggest rule of all: Falling in love. Hollywood's darling, Madison Jordan didn't have time to deal with a pushy bodyguard. She had enough issues complicating her life already: A domineering mother, a weight complex... oh and a stalker who wanted to kill her. A break in with an ominous message in the form of a knife through her picture kept Trace in her home, but would she willingly let him into her heart?
