

Crossing the 49th - The 2014 Complete Guide to Finding and Importing a US Boat to Canada

This ebook covers the entire process of purchasing a US boat and importing it to Canada. Topics include how to find the right boat for you, financing and budgeting, the purchase process, documentation requirements, what to do at the border, transportation, special requirements for trailers, tax issues and licensing the boat in Canada. Every step of the process is covered in detail and all information is current to 2014. The book spans 56 pages, each of which is filled with relevant, timely and comprehensive information that will save you time, money and plenty of stress.
