

## Diary of a Dead Man: A Spiritual Guide to the Afterlife

What would happen if you woke up one day and you couldn't remember anything at all? Even worse than that, some people are telling you that you are dead. Daron knows not only how that feels, but also what it's like to be told you held the fate of all life. No one likes to be told they are the Chosen One. Follow Daron through a magical quest and learn why God created life and death in the first place. Be there with him as he stops God's children (the Angels and Dragons) from destroying everything out of the name of jealousy. Learn the inevitable fate of mankind. Copyrighted by David S.
