

Divine Intimacy Vol 1: 001

Divine Intimacy is considered a classic throughout the Christian world, a work prepared with loving and conscientious labor by one of the great Catholic teachers of our time. This revision of his famous works vibrates with the freshness of the springtime of grace stirred up by Vatican II and inspired by the renewed impulse to a more vital return to Sacred Scripture. Of all the books of meditation available today, this series is the most practical, liturgically and spiritually formative, and helpful for true communion with God. Volume I covers from the First Sunday of Advent through the Eighth week of Ordinary Time.
