

# DIVORCEapedia: The Who, What, When, Where & How Of Divorce

DIVORCEapedia: The Divorce Encyclopedia & Workbook is one of the products and services Divorce Information NOW provides to educate, guide and support you through the complexities of divorce while saving you time and money . No one is prepared for the divorce process. Feelings such as anxiety, sadness, anger and fear can become overwhelming and limit your capacity to think clearly and move forward effectively. Even if there are topics which you assume are not relevant to your circumstances, it is important to review the entire DIVORCEapedia: The Divorce Encyclopedia & Workbook before you get started so that you grasp the complete scope of Issues to Consider. Once the outcome of the divorce process is reached it is unlikely that you will be able to make changes to your parenting plan and/or settlement. Thus, an effective divorce requires attention to a host of details. Your game plan lays the ground work for a successful process! The divorce process requires extensive data collection and administration, which can seem overwhelming. Efficient organization provides structure to the divorce process. DIVORCEapedia: The Divorce Encyclopedia & Workbook provides a simple and straightforward system to aggregate important data, schedule the divorce process and file important information in a user-friendly format. The divorce process can be complicated. But with proper management, you can save time and money, and the results are superior. DIVORCEapedia: The Divorce Encyclopedia & Workbook breaks down the process into its component parts and gives you support in handling the range of issues that need to be managed during your divorce. Lets face it... the divorce process is overwhelming, uncomfortable and scary. Having a plan, along with organization and management tools produces a powerful resolution. The DIVORCEapedia: The

Divorce Encyclopedia & Workbook offers you tested techniques and strategies to avoid the pitfalls of divorce and to maximize the outcome. As you plan, organize, and manage the process, do not forget that your health and well being are an important part of the solution.
