

Achieving XXcellence in Science: Role of Professional Societies in Advancing Women in Science: Proceedings of a Workshop, AXXS 2002

This report is the proceedings of a July 2002 workshop of the Committee on AXXS 2002: A Workshop for Clinical Societies to Enhance Womens Contributions to Science and their Profession. The workshop gathered representatives of clinical societies and identified ways to enhance the participation of women scientists in the clinical research workforce. This workshop was a follow-up to the AXXS 1999 conference sponsored by the Office of Research on Womens Health (ORWH) at the National Institutes of Health (NIH), which focused on how scientific societies could contribute to the enhancement of womens careers in science.
