

Christian Crisis Hotline. How may I help you? For once, it was phone counselor Felicia Trahan who desperately needed to dial in. She'd come home to her apartment to find Jolie, her roommate and coworker, dead. And few clues to the killers identity: There was a shady boyfriend. A rival at the crisis center. And disturbing phone calls from a distraught young woman who was becoming increasingly unhinged. So much so that the centers tough-guy pastor feared for Felicias safety. Spencer Bertrand promised to protect her, even if he lost his heart in the process. Yet drawing out a killer hiding in the Louisiana bayou could be the only way to save them all.
