

## How To Make the Best of Sibling Rivalry: As seen on Public Television

This book will teach you practical skills that allow you to save your own energy and teaches your kids how to get along with others. You will learn simple and practical skills for: \* Setting limits without waging war \* Staying calm when your kids aren't \* Helping your kids learn to take responsibility for resolving their own issues \* Putting an end to arguing and manipulation The techniques presented in this book are built on decades of experience using the Love and Logic approach. They are practical, down-to-earth, anyone-can-apply-it tools for parents who want long-term solutions to sibling rivalry.
