

Condiments for Life: A Buffet of Poetry, Poetic Thoughts, and Advice For the Seasons of Life

Condiments for Life is a wonderfully unique collection of poetry like no other! It has a perfect mixture of poetic thoughts, advice, and even some new quotes to share with friends. This book has a fabulous buffet of humor, thought provoking topics, Christian inspiration, relationship advice, poems on parenting, love, poems for teenagers and adults, and much more! But don't forget the rule about buffets, no sharing :O). So please make sure you tell your friends and family where to buy their own book! We all use condiments to add flavor to the food we eat. This book was written to add flavor to everyday real life challenges and events using my own unique style of straight-forward poetry. Just like there are some bitter times, sweet and spicy times, serious and prayerful times, fun times, and proclaim it times, you will find a fantastic selection of all of these in this book. So go ahead! Find a good seat, dive into this great book, and enjoy yourself over and over, you deserve it! The contents of this book are compatible with any diet of life too. You can even order your favorite poem to be made onto your favorite item of choice such as mugs, hats, calendars, or even car magnets, etc. which make great gifts for any occasion!
