

Married Players and the Women That Worship Them: A Womans Guide to Escaping the Player Prison

J.G. Davids Married Players and the Women That Worship Them delivers a straight-forward perspective as to why players cultivate secret worlds and helps women escape from the painful emotional roller coaster ride. With compassion and understanding, this guide reveals why women are attracted to these men and what they can do about it. The author shares compelling answers to the painful questions women often ask: How do I know if my man is having an affair and what do I do about it? How could he be married and have several women on the side? Why am I always attracted to the bad boy who ends up cheating on me? What do I do if my husband has another woman?

Will my married lover ever leave his wife for me? All you need to know advice, real-life cheating scenarios, and the authors unusual perspective on infidelity, Married Players and the Women That Worship Them gives you straight-forward, no nonsense answers that will help you transform your life and make better choices. It helps you build your confidence and self worth, and gives you some unusual techniques to help you get what you want from your man. Once you have uncovered the games he plays, you will learn how to either boot him out of your life and find a faithful man or transform him to be the faithful man youve always wanted.
