

Live Well Eat Well

In her third book, Janie focuses on creating buffet salads for large & small parties, along with recipes for sandwiches and wraps for as few as 2 people or a whole bunch. Her twist? Each type of recipe can be made into one of the others—salads into sandwiches, and sandwiches into wraps, etc. She even includes some familiar vinaigrette and dressing recipes from her cookbooks *Simply Vinaigrettes* and *Janie's Simply Entree Salads for Two*. Her recipes promote the use of fresh and organic ingredients where possible to help you Live Well, Eat Well. With her wonderful charm and wit, Janie will inspire you to begin creating and cooking wonderful new salads, sandwiches, and wraps.
