

Effective Meetings - 20 Sure-Fire Tools (Parker Team Series)

A successful meeting is not measured by starting on time, having a great agenda, getting everyone involved, or even serving healthy muffins. While all these factors are important a great meeting is simply one that achieves its objectives in other words, where a problem is solved, a decision is made, a plan is developed, a question answered, or some other specific outcome is accomplished. In Volume II of The Parker Team Series, Effective Meetings: 20 Sure-Fire Tools, author Glenn Parker will help you achieve your desired outcomes. This easy-to-read book will guarantee better meeting results, whether it is an on-site team meeting, a tele-meeting, or a cross-cultural meeting
