

## El ultimo judio (Roca Editorial Historica) (Spanish Edition)

En la España del siglo XV, y con la Inquisición y la expulsión de los judíos como telón de fondo, el joven Yonah Toledano debe abandonar a los supervivientes de su familia y buscar un nuevo hogar. Contrario a la conversión e involucrado en unas investigaciones sobre el robo de reliquias, Yonah inicia una larga y peligrosa aventura durante la cual los continuos cambios de identidad y de oficio serán duros de encajar, pero contribuirán a forjar su personalidad y reafirmar sus orígenes. / After centuries of riots encouraged by the Church, the Jews are expelled from the country by royal edict. Many who wish to remain are intimidated by Church and Crown and become Catholics, but several hundred thousand choose to retain their religion and depart; given little time to flee, some perish even before they can escape from Spain.
