

Endangered Animals (A Golden Guide from St. Martins Press)

Wildlife is in danger everywhere. In this timely look at the plight of endangered animals, you will find:-A survey of hundreds of animal species that are in trouble-Descriptions of the many causes of endangerment and the controversies surrounding current laws-Fascinating stories about the efforts of people to rescue species and restore harmony and balance in nature-More than a hundred dramatic full-color illustrations-Here is a valuable resource for nature lovers-for anyone, in fact, who is concerned with the fate of animals and the future of life on this planet.
