

ETPS Neuro-Mechanical Acupuncture NATURAL HEALTH Pain Management for the 21st Century

How to effectively use Acupuncture for chronic pain relief. From the back cover: For thousands of years mankind has turned to acupuncture for pain relief. Today the miracle of modern science and technology has enabled this ancient and guarded art to be packaged for simple home use. The combination of acupuncture theory and modern technology has produced simple portable electro acupuncture units. This book is written to be used in conjunction with these units to enable therapists and patients to take full advantage of today's state of the art therapy techniques to relieve back pain, fibromyalgia, headaches and migraines, neck pain, sports injuries, and many other painful conditions.
