

Every Familys Business

Every Familys Business chronicals the journey of two people who meet on a flight to Barbados. Both discover that they work in family businesses and proceed to share their successes and failures. One character reveals 12 questions that have been passed down through four generations of his family --questions that have shaped their approach to succession planning. Entertaining and informative, Every Familys Business helps families break the ice and gets them thinking and talking about the future if their family firm. A bestselling novel sure to leave families in business together thinking differently about whats really important. A book that gives families a method for coming together to plan using sound business principles, love and mutual respect.
