

Fast Money: 7 Days to Successful Options Trading

Fast Money: 7 Days to Successful Options Trading will introduce the curious investor or novice options trader to the exciting potential of stock options and how to get started quickly and successfully trading stock and stock index options on US markets. The title of this book promotes the idea that if you read one chapter each day (and understand it) by the time you finish the last chapter; you'll have enough knowledge to get started successfully trading stock and index options.
