

## SETTLEMENT AGREEMENT: Fathers Rights Series

Fathers should, at least, attempt to settle with the opposing side and to avoid conflict in court as much as possible. When faced with this situation, a sample settlement agreement can be an invaluable tool for use in your own case. This is an actual real life example of a settlement agreement that can be used in any jurisdiction. And was used by one successful Father. You may want to mimic what he did; however, it should be no substitute for having a local attorney review your work to make certain it complies with local rules.
