

Juicing for Fertility: A Jumpstart to Juicing for Infertile Women

Wanza Leftwich was infertile until she began the journey to lose weight by removing all process foods, sugars and meat to lose weight and get in shape. Little did she know that by doing this, she would become pregnant, not once but three times.

With the undeniable benefits of juicing being seen today for weight loss to the reversal of chronic diseases, Wanza brings to you Juicing for Fertility. This motivational book will jump start you into a healthy lifestyle that will help you to regulate your hormones, detoxify your body and put you on the path to creating a healthy inward environment for conception.
