

The Amazing Mullet: How To Catch, Smoke And Cook The Fish

The Amazing Mullet offers information that has been gathered through time and experience. Successful methods of catching, smoking and cooking mullet are covered in great depth. One will learn the distinct characteristics that make mullet such an exceptional fish. Their biological and behavioral uniqueness is shown distinguishing them from other fish. Numerous filleting, cleaning, cooking and smoking practices are reviewed thoroughly. The makeup and functionality of a smoker is shown and the properties of different woods that can be used is explained as well. Cooking section explains the best methods for preparing fish and the recipe section, in addition to mullet recipes, includes detailed information on making fish cakes, ceviche, spreads and sauces.
