

## Final Legacies

Humorous, uplifting, and informative, *Final Legacies* is written for the recreational reader as well as for survivors of loss by death. The author traces his own views of death from his early childhood through the present and reveals methods of recovery in the *Final Legacies* left by the deceased. The book is a must for those who have lost a significant other, who counsel the dying and their survivors, and who will face loss in the future. The humorous treatment of a very heavy subject relieves the reader of the emotional devastation of reading about death.
