

Credit Repair Book: Ex Credit Bureau Manager Reveals Credit Repair Secrets

COMES WITH DISPUTE LETTER SYSTEM PROS USE Are you saying right now DAMN THOSE (Bleeping) CREDIT BUREAUS? Are those Credit Bureaus stopping you from getting: AN APARTMENT: Sorry here is your damage deposit back your credit application was not approved but thanks for the \$30.00 credit application fee. EMPLOYMENT: Sorry you are qualified and we really liked your interview, but after seeing your credit report we will be going a different route. AUTOMOBILE: Well we did get you approved but unfortunately the down payment we talked about will be significantly more. Your monthly payment will also be \$168 more a month. We understand that's not financially possible for you but if things change let us know. Thanks for coming in and help yourself to a cup of coffee on your way out. HOUSE: You seem like a nice couple and it's great you are expecting your first child soon but unfortunately we can't get you the mortgage we advertised everywhere. You might want to try those companies online that charge insane interest rates and want a huge deposit as well as your first born child. Thanks for coming in and would you mind filling out a survey online about how well we served you today? A good friend of mine is a divorce attorney. He knows what I do so whenever we get together the subject always seems to go to credit. He told me he's shocked at how much spouse has bad credit comes up during a divorce. He says it's always an issue women have. We have deduced that women love to nest. They want security (I guess we didn't have to be rocket scientist to figure that out). So anyway STOP RIGHT NOW AND SCROLL TO THE TOP OF THE PAGE AND BUY THIS BOOK SO WE CAN GET STARTED. Is that being forward enough? Seriously we are talking about the cost of a cup of Starbucks coffee. By the way Starbucks in no way endorses my

book lol. Howard Schultz the chairman and CEO of Starbucks Im sure doesnt have credit issues. So if you are still here you might need some more convincing I guess. Good for you due diligence. My name is John D. Harris I could go on and on here about my experience working as a credit bureau manager but I wont bore you with all the details. THIS REALLY IS NOT ABOUT ME ANYWAYS. ITS ABOUT YOU AND YOUR CREDIT. Even though your credit affects your whole life experience you probably know very little about real credit repair. Most of the books I have read online about credit repair are out of date or more often than not dont really have a clue what is going on. Lets face it all are lives are on a clock that is always ticking. Tick Tock Tick Tock. THIS IS NOT A PRACTICE RUN. This is your one life. Every day with bad credit is a day you are not experiencing your full life experience. Imagine knowing you have great credit. You know when you talk to the guy in the suit that you have great credit. You know you will be approved for anything. You can shop around for the best rates. You have the best property and pay less than the guy with the dumpy property. You drive the best car for less than the poor guy driving the seven-year-old vehicle. You might start flipping property. You might buy a business on credit. People respect you because you are the baller, you can get things done because you have access to CREDIT. You can take advantage of great deals because you have CREDIT. My bet is that you know more about cooking a turkey, changing your oil, whats on Netflix, Geography, Donald Trump, Words of a different language, Facebook, etc. THAN YOU DO ABOUT REAL CREDIT REPAIR. I guarantee you can have good credit PS: I am a real person, with my book I include my phone number and email. You will also get unlimited access to my members only website with so many valuable resources.
