

The Friendship Book: The Art of Making and Keeping Friends

You meet people at work, church, at school, at play and through organizations and activities, but there is an art to developing and maintaining friendships. The Friendship Book is your guide to overcoming the barriers to and reaping the rewards of learning that art. The Friendship Book provides information on how to make and nurture friendships, how to maintain old friendships after marriage, how to recover from losing a friend, how to identify the obstacles to friendship and how to overcome those obstacles. Interviews with medical and psychology professional are coupled with touching anecdotes from a wide spectrum of people about the ways in which friendship has affected their lives. Insight is provided into many types of friendship: spiritual, supportive, neighborly, business, companionable. Intimate, nurturing.
