

Funky Lunch: Happy Food for Happy Children

How to turn an ordinary lunchtime sandwich into something fun like Spongebob, Hello Kitty, or a piano to encourage children to eat a varied and healthy lunch. Every parent knows how stressful meal times can be. Young minds need inspiring and this is exactly what the Funky Lunch website set out to do. The book features 50 of the very best Funky Lunch sandwich ideas from simple farmyard creatures and cucumber crocodiles to favorite characters from the world of children's TV as well as some fun and creative interactive spreads to help get the little ones involved in choosing and making their lunch. Lunch should never look boring, when it can look just like a rocket ship flying through the stars, the Loch Ness monster, a pretty mermaid, or Winnie the Pooh.
