

## 100 Red Flags in Relationships (Gaslight Survivor Series)

Recognize a cheater before he or she sucks you in. Avoid relationship nightmares by trusting your gut instinct. If something doesn't feel right about your new partner, watch for red flags. Some red flags are as unique as the situation. Some red flags can apply to any man or woman. Only you know the truth in your heart what is a red flag and how many you are willing to collect until you've decided to have enough. Victoria Summit is a life coach and has worked as relationship advisor for dating services.
