Introducing Ken Trester's book-101 Option Trading Secrets. Author of the best-selling Complete Option Player, now in its 4th edition, Ken Trester is acclaimed for rendering complex subjects into easy-to-understand concepts and ideas. Through his books, seminars, and as a college professor, Ken Trester has educated tens of thousands of investors about the power and benefits of options. His award-winning programs give ordinary investors an edge in the professional arena. In this 336 page book, Ken condenses his options expertise and 30 years of extensive trading experience into 101 concise secrets that can help any investor to maximize their gains. Its fourth edition, is among the best selling options books ever. A former computer science professor Ken has taught many popular courses on options trading. In addition, he teaches a limited number of individuals through intensive options seminars. Many former students have been very successful using the strategies he espouses. Ken has an MBA and has worked as an investment manager. He developed an economical software program for personal computers, OPTION MASTER, that allows small investors to easily determine an option's true theoretical value.
