

Girls Will Be Girls: Raising Confident and Courageous Daughters

Mary Pipher told us about the problems girls face in *Reviving Ophelia*; now in *Girls Will Be Girls*, JoAnn Deak gives us the solutions. In a work that is as relevant and important as *Raising Cain*, Deak offers a comprehensive road map to the many emotional and physical challenges girls of all ages face in today's changing world. Renowned for her knowledge of what makes girls ages 6 to 16 tick, Deak brings together stories and lessons from more than 20 years as a school psychologist, and introduces original concepts as a framework to help parents better understand their daughters.
