

## Grace in Thine Eyes

Glen of Loch Trool. Spring 1808. Davina McKie is a bonny lass of seventeen, as clever as they come and a gifted musician. Unable to speak since childhood, she is doted on by her belligerent younger brothers, Will and Sandy, who vow to protect their silent sister. When the lads are forced to depart the glen, Jamie McKie intends to brighten his daughter's summer by escorting Davina to the Isle of Arran. Her cousins make her welcome at the manse, and the parish delights in hearing their talented fiddler. But when she catches the eye of a handsome young Highlander on Midsummer Eve, sheltered Davina is unprepared for the shocking events that follow. A timeless story of passion and revenge, of lost innocence and shattered dreams, *Grace in Thine Eyes* explores the sorrow of unspeakable shame and the gift of immeasurable grace.
