

Guaranteed Formula for Public Speaking Success

Guaranteed Formula for Public Speaking builds upon many of the great works on public speaking in that it provides concrete techniques that you can learn in the morning and use to great advantage in the afternoon. It is also a text that has been used successfully to train corporate executives, including doctors and salespeople. Whether you want to give an information speech, a persuasive speech, or a speech that motivates others to reach deeper into themselves, you can benefit from this public speaking manual. Techniques cover impromptu speaking, introductions, body, conclusions, and how to spice up your work through techniques that have been used all the way from Aristotle to Zig Ziglar.
