

HeartPrints: Celebrating the Power of a Simple Touch

Within the pages of HeartPrints, authors Sandra Aldrich and Bobbie Valentine remind women that they can change lives simply by doing what comes naturally. They tell the stories of 25 inspiring, ordinary women who made an extraordinary impact on the lives of others through the simplest gestures a prayer, a hug, a riddle, or even a cup of tea. These stories will inspire women to leave HeartPrints of their own on the lives of those around them. Therefore encourage one another and build each other up, just as in fact you are doing.1 Thessalonians 5:11 (New International Version)
