

Deadly Chase

Sierra Malone trusted the wrong man and now he's trying to kill her. After narrowly escaping Kevin Eason's brutal attack, Sierra leaves her home, her family, and everything familiar. She finds temporary shelter, but it provides little relief from her constant fear. Desperate and alone, she considers an offer of protection from a stranger—but she soon learns he's harboring a potentially deadly secret. Chase Price wants Eason behind bars, and he's willing to do anything to get him there, even if it means waiting for Eason to strike again. With an innocent life on the line, Chase sets out to finish this battle once and for all—but he soon learns guarding Eason's beautiful victim leaves him wanting much more than he anticipated.
