

Home to Willowbrook (Heartland Memories Series, Book 2)

When Cath Herrick awakens from a coma after a tragic car accident, she must rebuild her shattered life. People and places, faces and names from her memory were calling her back from the silent rage of heartbreak. Set in the years following World War II, this moving sequel to *The House on Honeysuckle Lane* is a compelling story of faith, mercy, and the power of love to heal wounded hearts. *Heartland Memories* is a series about the ties that bind the Reed and Herrick families to the house on Honeysuckle Lane, the town of Willowbrook, and to each other. It recreates the life and times of the 1930s through the 1960s and takes readers back to a simpler life in America's heartland.
