

## How Gods Light Blinded Me

When you look head on into a light source, you become blind to everything around you. This book documents the life of Masey James as he was raised and lived the first 32 years of his life as a dedicated Christian. Unwavering in his faith, nothing could take away his faith in God. Throughout the years, he faces challenges, heartbreak, fear, guilt and determination, none of which could rock his solid foundation in the Truth - Gods Word. One day in December 2013, it all changed.
