

# Getting Clients and Keeping Clients for Your Service Business: A 30-Day Step-by-Step Plan for Building Your Business

Many books are written on how to attract more business for retail stores or new products, but this is the only book written for the small business service provider. Whether you are an attorney, doctor, accountant, consultant, personal trainer, insurance agent, Web or computer consultant, graphic designer, dentist, landscape or pool caretaker, professional cleaner, wedding planner, tree trimmer, caterer, or pet sitter, this book is for you. The truth is unless you keep a steady stream of clients coming through your doors, you will never be as successful as you would really like to be. If you're great at working with clients and you do an excellent job of providing your services, you have the capability to turn your service business into a highly profitable firm, easily. If you are like most small business service providers, getting and keeping new clients is hard work and takes up most of your time. And it is a big challenge. Yet this was not the reason you went into business. You went into business to assist your customers and make a financially rewarding business for yourself. This new book will guide you back to your original goals for going into business while making your life easier. Developing a low-cost proven marketing system doesn't have to be difficult or time consuming. This book details the principles and practices of marketing for the professional service business. In 30 days or less, you will be so successful in attracting all the business you will ever need that you can select the clients you want to serve. This specialized book will demonstrate methodically how to market and promote your services easily, inexpensively, and most important profitably. You will learn how to find new business clients quickly and keep existing ones satisfied by selling client based solutions and services by putting technology and low-cost marketing devices into place that take little or no time on your

part. You will learn to develop a marketing plan with hundreds of practical marketing ideas to help successful service providers attract new clients and increase business with existing ones.
