

How To Interpret A Ladys Body Language: Never Miss The Opportunity Again (Unbreakable Relationships Series)

A guy could still be clueless when talking to a lady who obviously likes him. She gives him clear signs, but he just doesnt get them Some body language experts claim that only about 7% of our messages are communicated, to other people through the words we speak. The rest of our messages are conveyed through our body language, tone of voice, and facial expressions. During your entire life you have been sending messages to others through your posture, gestures, and facial expressions. In the same ways, ladies send out signals that guys need to decode. The right decoding could help a guy make the right decision in the right direction.
