

How To Get a Rich Man

Donna Spangler uses the Princess Formula in her book *How to Get a Rich Man*, which is designed to help the reader get the right man step-by-step and outlines the path to true love and financial security. Leaving behind the guilt and judgment, this book shows women the best ways to make the most of what they've got. The book asks the question: If men can be drawn to beautiful women, why can't women look for financially secure men? Readers can use the Princess Formula to find rich men, spot imposters, identify what rich men want and what they don't. Readers will learn the secrets to feeling accepted and at ease in the world of the wealthy no matter her bank balance. *How to Get a Rich Man* is a striking blend of perky innocence and a femme fatale mentality designed for those seeking a heartfelt practical love life.
