

How To Win At Internet Dating: A Mans Guide To Finding Sex, Romance, and Love Online

Are you looking to get laid? Get a girlfriend? Find your ideal wife? 40 percent of US singles are part of the online dating world. But you have to understand the rules of the game to win. This book cuts through all the mystery and misinformation to teach you a proven formula for finding women online. The first part has specific guidelines for filling out an online profile and tells you exactly what to do (and how to do it) at each step of the process. It also includes fill in the blank templates for use on OKCupid, Zoosk, and Plenty of Fish that you can also easily modify and use on any dating website. Also covered are crucial areas for success in online dating including:

- Exactly what to say in emails and how to respond to her
- How to quickly go from first email to first date
- How to read female body language to know if she wants to have sex with you
- A formula to easily get laid
- How to determine a womans long-term potential for marriage
- How to easily improve your inner game and confidence
- How to increase traffic to your profile
- How to know which women to contact
- How to find the right woman for your needs
- How to get out of the friend zone
- How to handle rejection and anxiety like a pro
- How to game the online dating site search engines in your favor

And much, much more. This book is designed to be easy to use and to get the key ideas across in as simple a fashion as possible. You dont need to be Don Juan or a Jersey shore super stud to get women. This system will work for any guy and it is designed to help you get dates immediately.
