

I Never Get Anything: How to Keep Your Kids from Running Your Life

From the author of the bestselling parenting book 1-2-3 Magic Outlining the six tactics kids use to get their way, this reference teaches parents to think objectively about how their children can sometimes manipulate their parents into getting what they want. Insightful analyses emphasize the importance of understanding the underlying emotional dynamics of testing and offer practical solutions, from knowing how to say no comfortably to when to say yes encouragingly. Ensuring a healthy relationship between children and parents, this humorous, down-to-earth guide enables parents to manage their own behavior and that of their children.
