

A Bird in the Hand

At its core, *A Bird in the Hand* is indeed about trophies, though not those ranked by size or numbers or scores, but, rather, the lasting trophies of the mind and heart. In his lyrical trademark style, Lundrigan shares vivid images and compelling thoughts over a range of personal experiences from his beloved Minnesota grouse coverts to the red-dust quail country of western Oklahoma, from big-water duck gunning to sharp-tailed grouse hunts on the prairies of North Dakota. Ted weaves the fabric of his multifaceted tales in a manner that effortlessly involves you with the places and people and gun dogs that are the warp and woof of this hunts.
