

Tomorrow Will Start Without You

Betty Alexander knows what its like to lose loved ones. She lost two sons within four years. Now she shares her experiences to comfort those who are going through the grieving process and guide them through the spiritual road to recovery. She writes, ...I want to help people in their time of grief.... When my first son was killed, I searched everywhere for a book that would help me through my dark hours and hard times but found nothing. Now she provides such a book.
