

Guy Logic

Guy Logic is a frank, funny and refreshing look inside the male mind for the single woman seeking greater understanding and success with men, from the man who will give you the honest, inside scoop and plenty of extra ammo for your dating arsenal! Written by an experienced, ?all brain cells intact,? thirty-something & very heterosexual single New York City man, Guy gets to the point without all the politically correct hype. An astute observer of human behavior, he?ll tell you what works and what doesn?t cut in the world of men, as well as give the reasons why your man acts the way he does. Guy Logic will give you listings of Turn ons and Turn Offs, explain the secrets of attraction and give you plenty of items to get you ahead of the competition. You?ll get a new set of Rules to live by and many Myths and Rumors will be dispelled or confirmed. Guy Logic goes on to give you an analysis of different kinds of men and men to avoid, as well as answer the most common! y asked questions of single women everywhere. As an added bonus, Guy draws upon his vast experience in the world of martial arts to give the single woman an edge in protecting herself out in this crazy world.
