

Ive Got to Get This Off My Chest

*I've Got to Get
This Off My Chest*

Ilene Jones & Irene Gautney

When Irene was diagnosed with breast cancer in 2005, I was a complete basket case because I knew nothing about breast cancer. I cried all day every day at work and at home. As I researched, I learned more about breast cancer and the knowledge helped me to feel better. For the most part, I only cried when Irene received bad news. Now, I am not crying at all because Ive decided to be a positive influence in her life and have started The Power of PINK Breast Cancer Foundation. PINK stands for people in need of kindness. I cant think of anyone more in need. Now all anyone has to do to get the help they need is to log onto our website www.thepowerofpinkbcf.org. Irene's fight inspired me to help others, I hope our story inspires you.
