

# Making Speeches Bear-Able (for You and the Audience): How to Make a Pretty Good Speech Even Better!

Public Speaking can be a real bear-- for the speaker and the audience! Part of the problem lies in the expectations. Speakers and audiences often expect it to be a painful ordeal. And, it usually is. But, it doesn't have to be. In *Making Speeches Bear-able*, Mark Woods takes you through the process step by step and shows how developing a speech can be surprisingly easy. He also helps you see that delivering the speech can be done effectively and entertainingly. With a little knowledge and a lot of hard work, you can make a pretty speech even better... maybe even bear-able (for you and the audience)!
