

Immortal Desires: a Well of Souls novel

After being dumped at the altar, Deanna Cameron seeks a fresh start in life. She gets more than she bargained for after accepting a new job, when an Immortal Guardian sends her five hundred years into the past. She can't return home and a magnificent highland warrior accuses her of being a spy. Ian Mackay knows the beautiful woman that appears in his castle must be a spy. After all, she's a Cameron, a clan he despises. The powerful magic surrounding her obstructs his Druid senses, plus he finds he can't stay away from the temptress. But loving Deanna could come with a price too high to pay. Will she be the downfall of his clan or its salvation?
