

In the Beginning (Book I The Archangel Jarahmael and the War to Conquer Heaven) (Volume 1)

Even a match made in Heaven can go awry. THE ARCHANGEL JARAHMAEL AND THE WAR TO CONQUER HEAVEN is the epic three-part story of the Creation of the Universe, told from the perspective of the Angels themselves. The first book of the trilogy, In the Beginning, describes the initial creation and the establishment of the Seven Heavens and the Nine Orders of Angels, but it also tells of the first Humans, Lillith and Adam. Although they are quite literally a match made in Heaven, free will wreaks havoc with destiny when Lillith falls in love with the Archangel Jarahmael. Can love, as the very essence of the almightys Universe, survive free will? Or will love, when exposed to an untethered will, rip the Universe apart, pitting Good against Evil in a battle for all?
