

In Search of the Armor

In Search of the Armor is an exciting coming-of-age adventure set in the mythical, medieval kingdoms of Alienor and Berwyk. The search for a lost sister leads Justin of Alienor far beyond the fields of home. He is sent upon a quest to find the pieces of his spiritual armor, assisted along the way by an angelic messenger. Justin learns hard lessons of faith from Sir Edmund, the dying knight who had once served the King of Kings, Berenger, the embittered soldier, Sir Kenrick, an honest man in search of his lost dignity, Lord Bardolph, the proud enemy, and the courageous Princess Elena, whose royal father and grandfather are wicked servants of the Lord of Darkness. In the final conflict, both men and angels are locked in combat in the earthly and spiritual realms. In Search of the Armor has elements of fantasy, but its central theme of redemption is as clear as it is compelling.
