

## Hands on Baby Massage

Research indicates that massage is beneficial for infants in many ways. By the author of the best-selling Hands on Feet, this 160 page guide explains where and how to safely massage a baby to help relieve colic, irritability, and other common afflictions. It comes with an adorable onesie, a one-piece, snap-on baby garment, preprinted front and back with a colorful design that shows just where to massage for specific results.
