

On Fire in the Kitchen: The King Of The Q Brings It Indoors

In *On Fire in the Kitchen*, the former Presidents Choice chef puts planking on the backburner and returns to his roots to offer up an assortment of wild and wonderful dishes from the comforts of his kitchen. GQ magazine called him the Crazy Canuck BBQ King: we've gotten to know him as the King of the Q, but Ted Reader is so much more than Canadas premiere grill meister. Trained as a chef in some of the countrys top kitchens, Reader also knows how to roast, baste, bake, and guzzle. From the latest variation on his fabulous drunken chicken and grilled beef tenderloin stuffed with gorgonzola cheese to iron apple cheddar cobbler, ice wine martinis, and mystic mango margaritas, Readers new book of mouthwatering recipes and inspired menus for picnics, cottaging, birthdays, and holidays, will have you cooking and grilling, in the signature Tune of Ted, all year round.
