

## Is It ADHD or is it Just Me? : One Moms Battle To Help Her Son Live A Normal Life Without Medication

A true story of one Moms battle to get her child off ADHD medication and living a normal life. Have you a child whose been diagnosed with ADHD or ADD or even ODD? Are you at the end of your rope? Are you confused about how best to care for your child? Should you give them stimulant medication or treat them via their diet or even a combination of both? I know exactly what you are going through as I went through it with my son. Against my better judgement I let the doctors put my child on medication but it was a huge mistake. Find out more about our journey to treat my child's condition and see if you can use what I learned to help your family today.
