

Undeclared: Broken into Purpose (Breaking the Bondage of Inherited Generational Thinking) (Volume 1)

Khalilah Johnson speaks candidly of her life experiences of torture. Her journey highlights great tragedy and disappointment, with episodes where she endured physical, mental and sexual abuse. Her anger, rage and unforgiveness once fueled a reckless and rebellious attitude. Becoming a teenage mother twice, everything about her life showed failure. At her weakest, God revealed His strength, exposing the similarities of abuse deeply rooted in her family history. Instead of giving up, she chose to surrender. In order to be delivered from this generational curse, she had to be broken. What the enemy meant for her destruction, our Lord and Savior used to train her in the art of spiritual warfare. With boldness and courage, she authentically depicts what it means to be broken into purpose, living the life of a conqueror, coming against the demon of fear, shame and guilt to confront her past, and to impact her future.
